Happy Anniversary to Chibi Manga! It's been a good experience to do hard work and have such devotion to something without receiving anything in return, but joy and happiness of people who also love the same thing as us. I hope for more years to come, more mangas to read, and more smiles from the readers!
Thank you Chibi Manga for a friendly neighborhood you have provided us during these years :) It's good to be here!

Hiya Chibi!!! It's been more than a year since you took this wandering PR under your wing, and chose to make her a loyal n permanent resident in your family. Every project has been crazy fun to do, and I must admit, to be a part of your hard-working team has a superhero feel to it. :D Especially since we all work so hard to dish out chapters to our ravenous otaku readers. Thank you Chibi Manga, for simply being there for everyone :)
CHIBIIII POWERRRRR!!!! :D Happy 3rd anniversary!!!!

Happy 3rd Anniversary, Chibi. It's been slightly more than a year since I've worked in Chibi manga. I've enjoyed myself translating for you during this period. Thank you for letting me have such great experience. It sure takes a lot of time and effort just to release a single chapter. But I'm sure everyone in the group will continue to do our best for the appreciation that our readers have shown. Once again, happy anniversary, to all Chibi staffs and readers. ^^
